

Re: 2018/2019 Annual Grouse Mountain Tyee Ski Club Silent Auction

We would like to invite you to participate in a very special event. On Saturday, November 17th, the Grouse Mountain Tyee Ski Club will be holding its annual Silent Auction on Grouse Mountain, the Peak of Vancouver.

Founded in 1929, the Grouse Mountain Tyee Ski Club is a non-profit organization that provides ski-racing training for children aged five through 18, and is in large part volunteer run. The Silent Auction, which officially kicks off the season, is the club's largest fundraiser of the year. For the past 15 years, it has helped us keep alpine ski racing accessible to athletes living right here in the Lower Mainland. The money raised goes towards coaching, as well as purchasing racing and safety equipment.

We are requesting a donation, from your business, of an item for our Silent Auction. In appreciation of your generous support you will be recognized as a Silent Auction Sponsor at the event.

In addition to being one of the longest running ski clubs in Canada and the largest one in BC, Grouse Tyee is a past recipient of Alpine Canada's Ski Club of the Year award and BC Alpine's Best Club Development award.

Thank you in advance for your support.

Yours truly,

Chantal Rackley Silent Auction Chair
